

# Parking & Walking to Singleton Room, Roberts Hall Carnegie Mellon University

The Carnegie Mellon parking garage is located on Forbes Avenue, near the intersection of Forbes and Beeler Street. Once inside the garage, go through the gate to the visitor's parking area and take a ticket. Keep your ticket and proceed to your meeting on campus. When you arrive at the Singleton Room in Roberts Hall, please see Christina Cowan for a parking validation ticket. This prepaid ticket will validate your parking at the pay station upon leaving the campus parking garage. (PLEASE NOTE: You will need both your original parking ticket, and the validated ticket at the pay station). Once you have validated your tickets at the pay station, you may exit the parking garage.
